

A background image of a vast lavender field under a soft, hazy sky. The lavender plants are in various stages of bloom, with some in sharp focus in the foreground and others blurred in the distance. The overall color palette is a mix of purples, blues, and greens.

# GRÈNE

## YOUR PARTNER FOR PREMIUM ORGANIC AND NATURAL INGREDIENTS

We are a new company, an **independent French supplier** of organic and natural ingredients, dedicated to the perfumery, aromatherapy, cosmetics and detergents sectors.

Our **mission** goes beyond simple trading: we are the 'bridge' between our vast global network of producers and you, our customers, who are looking for transparency, service and traceability in your supplies.

### COMMITMENT TO SUSTAINABILITY AND ETHICS

At GRÈNE, we're proud to play our part for the planet. Our environmentally-friendly methods, in action at every stage of our approach, are there to meet the challenges of our planet and the expectations of our producers.

### A TEAM DEDICATED TO YOU

At GRÈNE, we put at your service the experience we have acquired through our various careers in our industry over more than 15 years. Every year, we learn, we evolve, and we are committed to always offering you the best.

### EASY AND OPEN COMMUNICATION

Your experience with GRÈNE means open and easy communication. Don't hesitate to contact us, our team is here to answer your questions, discuss your specific requirements or explore needs not yet in our catalogue.

### QUALITY AND TRACEABILITY

All the products delivered by GRÈNE are documented (spec, MSDS, CoA, IFRA, etc.) and have undergone strict quality control. Each batch is selected for its organoleptic characteristics and physico-chemical properties.

## YOUR NEXT STEP WITH GRÈNE

Start your next chapter with GRÈNE: Contact us today to discuss your needs, get personalised advice, or simply find out more about how we can be your trusted partner in the world of organic and natural ingredients.

A close-up photograph of several lavender flower spikes. The flowers are a vibrant purple color and are arranged in a dense, elongated cluster. The background is a soft, out-of-focus green, suggesting a garden or field setting. The lighting is natural, highlighting the texture of the petals and the green stems.
